- Internet of things applications.
- Human-computer interaction.
- Computer & Information Security.
- Modern communication systems and networks.
- Recent algorithms in data mining.

Conference participation conditions:

- 1-All manuscripts presented to the conference are liable to electronic and scientific evaluation. Conference does not accept a paper that having plagiarized contents.
- 2- The manuscript must be under the scopes of the conference.
- 3- The manuscript must not be introduced for publication to another conference or published in any scientific journal.
- 4- The manuscript should not exceeds 20 pages and must be in the research approach.
- 5- The manuscript must not include any ethic direction or confuse the Iraqi social life.
- 6- The manuscript must be submitted in word format, the font style is Simplified Arabic (for Arabic paper) and Times New Roman (for English paper).

Important dates:

- 1- The deadline for receiving abstracts is February 15/2020.
- 2- The deadline for receiving the complete research is March 15/2020.
- 3- Notice of acceptance of manuscript in the conference April 1/2020.

Conference participation:

First: sending abstract of papers in conference sessions limited 200 words in from word file includes the following.

- 1- Paper subject / 2- Research importance / 3- Research object / 4- Research structure

Second: C.V of the researcher. (Short)

Third: complete paper send in word according to know research approach in order to be published in judged scientific journal.

Fourth: All files are sent to the email: icbcesu2020@baghdadcollege.edu.iq

Publication fees:

- Publication in international journal chosen will be announced later.
- Publication in the Baghdad College of economic sciences university.
 - 1- From outside iraq 150 USD.
 - 2- From inside Iraqi 100 ID.

Overview of college

Baghdad College of Economic Sciences University was established at 1996 according to ministry of higher education and scientific research decision. The college consists of the following departments:-

- 1- Financial and Banking Sciences Department.
- 2- Business Administration Department.
- 3- Accounting Sciences Department.
- 4- Computer Science Department.
- 5- Computer Techniques Engineering Department.

The college expanded since the establishment in building, laboratories , class rooms, library halls, sport fields areas and offices, besides that opened continuous education courses, internet courses, summer training for students.

On the other hand the college made several scientific agreements and cooperation with many national and international universities (Salah Al-Deen University, Cihan University) in Iraq, (Isra University, Ajloun National University, Al-Ahliyya Amman University) in Jordan, (West Attica University in Greece, Moscow University in Russia, and Malaysia Perils University.

In addition the college became a member of Arab Universities Union and International Universities Union.
